GLOBAL TRANSFORMATIONS OF POLITICAL ECONOMY SINCE THE 1970S PHD WORKSHOP

THUR, 16TH MAR
AT RESEARCH CENTRE FOR THE HISTORY OF
TRANSFORMATIONS (RECET), VIENNA

PROGRAMME

INTRODUCTION

This workshop brings together junior researchers from Berlin and Vienna in the fields of political economy and the global history of economic transition since the 1970s, especially outside the North Atlantic West. This will be an opportunity to present ongoing PhD projects and ideas, share insights and challenges, receive feedback from senior academics, and expand contacts.

The event is organised by the Research Center for the History of Transformations (RECET) in Vienna and the Cluster of Excellence 'Contestations of the Liberal Script' (SCRIPTS) in Berlin.
